

The College's employment salary plan is a market based plan which supports and fosters a performance driven culture. The salary plan provides for salaries for all employees which will attract and retain qualified individuals. The goal is to provide salaries on the basis of the external market, internal equity and individual performance.

The College hereby adopted a salary plan for non-curriculum and curriculum employees consistent with this Policy which is available under Board Policies.

Adopted: 7/01/2018
